

The diagram shows a grid with a light gray background. Five vectors are drawn as black arrows with labels:  $\vec{u}_1$  (top-left),  $\vec{u}_2$  (top-center),  $\vec{u}_3$  (top-right),  $\vec{u}_4$  (bottom-left), and  $\vec{u}_5$  (bottom-center). A point labeled  $A^+$  is located in the middle-right area of the grid.

$\vec{u}_1$

$\vec{u}_2$

$\vec{u}_3$

$\vec{u}_4$

$\vec{u}_5$
